

Envision Carlsbad Citizens Committee

Organization Committee Member Application

The Envision Carlsbad Citizens Committee (EC³) will assist the City of Carlsbad in identifying the community's vision for Carlsbad's future, and assist in the process to update the General Plan, Local Coastal Program, and Zoning Ordinance to achieve that vision.

A Mission Statement (Committee Charter) describing the purpose and responsibilities of the EC³ is enclosed with this application (if you received the application in the mail), or is available on the City's website (www.carlsbadca.gov). Nine of the EC³ members (and nine alternates) will be chosen from organizations that represent an environment, social, or economic perspective. Each perspective is important to Carlsbad's future and the ability to sustain the community's quality of life.

Committee members must reside in Carlsbad, and will be expected to represent the perspectives (environmental, social, or economic) of the organization that they are a member of, as well as the broader community interests of Carlsbad. An applicant's experience, knowledge, and education, as related to the perspective/organization they represent, will be considered in the appointment process; other factors considered in the appointment process include previous and current occupations, and familiarity with community issues and interests.

To provide continuity throughout the Envision Carlsbad process, it is preferable applicants be willing to serve on the EC³ for an approximate 3 year time period. More information on the anticipated meeting is provided in the EC³ Mission Statement (Charter). Please mail, deliver, or fax applications **on or before July 21, 2008** to the City Clerk's office: City of Carlsbad City Clerk, 1200 Carlsbad Village Drive, Carlsbad, CA 92008, (760) 720-6917 – fax, (760) 434-2808 – phone.
